

Recipe for

BIRDSEED WREATH

INGREDIENTS

1/2 cup water

1 envelope unflavored gelatin

3/4 cup flour

3 tablespoons corn syrup

4 - 5 cups birdseed

DIRECTIONS

Spray a bundt pan very liberally with nonstick cooking spray.

Mix hot water with gelatin in a large bowl until dissolved.

Add flour and corn syrup and stir until combined.

Finally, add birdseed and stir mixture thoroughly.

Add mixture to the pan.

Spray a small piece of waxed paper with cooking spray.

Use the greased waxed paper to firmly compact mixture in the pan. Chill mold for 24 hours.

Once set, remove wreath from mold.

Add a ribbon or a burlap tie for hanging wreath.
